

# MIDDLE SCHOOL SCIENCE TEACHER TEMPORARY LEAVE REPLACEMENT

START DATE: MARCH 2026

## POSITION OVERVIEW

**HACKLEY SCHOOL** seeks a Middle School Science Teacher to serve as a temporary leave replacement beginning as early as March 2, 2026, for a minimum of two weeks, with the possibility of extending that term to the end of the year if needed. The preferred candidate will have an appropriate background (undergraduate degree required; graduate degree preferred) and middle school (grades 5-8) teaching experience.

Candidates should also have a strong interest in the academic, social and emotional well-being of Middle School students and be willing to work collaboratively with the Science Department and the broader faculty community. The Middle School Science Teacher's course load will be three sections of earth science.

The Middle School Science Teacher reports to the Science Department Chair and the Director of the Middle School.

*Hackley challenges students to grow in character, scholarship, and accomplishment, to offer unreserved effort, and to learn from the varying perspectives and backgrounds in our community and the world.*

## MISSION AND HISTORY

**HACKLEY SCHOOL** is a nonsectarian coeducational K-12 independent school located in Tarrytown, New York. Founded as a boarding school in 1899, Hackley enrolls approximately 860 students, including 25 five-day boarding students in grades 9-12.

Students experience joy in the classroom and make life-long connections with each other and with our dedicated faculty, 40% of whom reside on campus. Robust extracurricular programming on our 285-acre campus creates unique opportunities for each student to learn and grow beyond the boundaries of the school day. Hackley graduates have the knowledge and confidence to pursue their passions and the drive to make a difference.

# ROLE RESPONSIBILITIES

The Middle School Science Teacher's responsibilities include, but are not limited to:

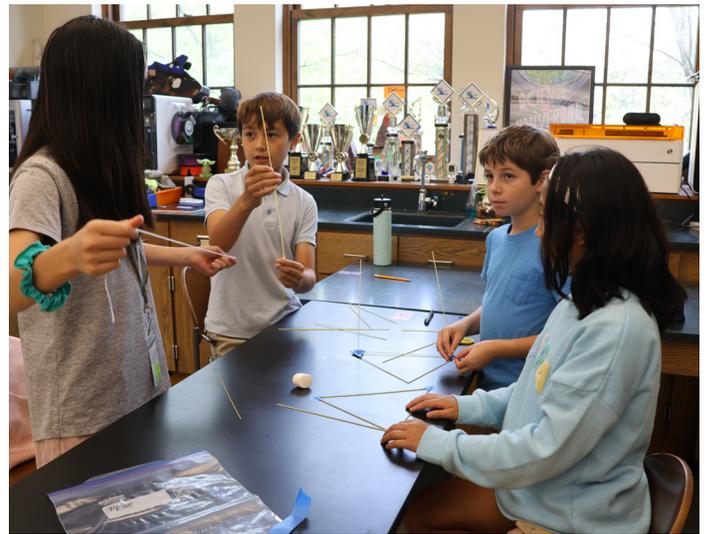

- Lesson planning, development and assignment of student learning activities, student assessment, record keeping, grading, and grade reporting.
- Creation of a warm and engaging classroom environment.
- Differentiation of teaching and learning based on individual student needs.
- Effective communication with families, department chair and administration.

# QUALITIES AND SKILLS

The ideal candidate embodies the School's core values and models them for others. The Middle School Science Teacher should have:

- Bachelor's degree in a science-related field (required); master's degree (preferred).
- Prior teaching experience (required).
- Experience with implementing Next Gen Science Standards (preferred).

# SALARY AND BENEFITS

The salary range for this temporary position is \$440-\$671 per day, with experience informing compensation.
